

*****Reiniciar Node (wiki antiga)

```
node
```

- `index.js` -> sistema novo

`/var/www/app_chat/` ou `/var/www/app_server/` (Node do Chat ou da Telefonia, respectivamente)

```
forever stop index.js
```

```
forever start index.js
```

- `app.js` -> sistema antigo

```
cd /var/www/app_server;
```

```
forever stop app.js; cat key.js > app.js ; cat code.js >> app.js; forever start -o out.log -e err.log app.js
```
